

08-14-18 IPM-TAG Minutes

Materials from PASCC on weed abatement and Tree management and requested distribution to members

PUE: no PUE other than specific use

County is still searching for glyphosate alternatives

Next TAG meeting will focus on approved pesticide list.

PASCC requested copy of Structural IPM training draft

Website: needs promotion, and to be user-friendly, many positive comments, needs to give credit to UC-IPM, good for the next generation
